

LISA DENARDO - PETE POLK MEMORIAL FOUNDATION

BACK TO SCHOOL DRIVE

Help us continue our Mission by hosting a Back-to-School Supply Drive at your school, work, church, or with friends! We make it super easy and will arrange for pick up of your collected items, provide a speaker to share inspirational stories and the Mission of the LDPPMF, promote your event on social media, provide lists of needed items, and provide tax receipts for any check or credit card donations received. If you need help getting started, contact us and we'll assist you with the planning process! We provide 300+ new backpacks with school supplies every year and rely on your donations.
